Press Release Tools

Raleigh-Durham-Chapel Hill, NC (1888PressRelease) July 21, 2010 - Lou Jurkowski, chief executive officer of BJAC pa (www.bjac.com), an architectural firm offering professional services for specialized, complex institutional projects, has announced that BJAC has won the Design Builders Institute of America Award of Excellence in the healthcare category for its collaboration on the Randolph Hospital Outpatient and Cancer Center. The design for Randolph Hospital was honored for its advanced and innovative application of total integrated project delivery and finding unique solutions to project challenges. The firm's project demonstrated successful application of design-build method and completion within budget. For more information on the National Design-Build Projects Award, visit <http://www.dbia.org/about/awards/>.

QUOTES:

"We are honored to win the Award of Excellence in the Healthcare category," Jurkowski said. "The Randolph Hospital Outpatient and Cancer Center is an important project where the Hospital, community, designer and construction team came together to create an outstanding, state-of-the-art healthcare facility."

DETAILS:

- BJAC will be accepting its award in Las Vegas at the 2010 Design-Build Conference & Expo on Oct. 18 at an "Evening of Entertainment and Celebration," which is DBIA's annual awards dinner.

ABOUT BJAC:
